## 90CM GENOVA SERIES COOKER 5 ZONE INDUCTION & SINGLE ELECTRIC OVEN

With a legacy of high performance appliances, our Genova series sets the standard for quality in freestanding cookers. Boasting a new design featuring a cooking surface that delivers even and instantaneous heat allowing you to effortlessly simmer or sear as your desire.

Available in two stylish finishes, these cookers are 90cm in width - making it an easy addition to your new kitchen.

Fratelli freestanding cookers incorporate an impressive oven cavity with a large use-able space, coupled with a rear oven wall featuring air flow gills to ensure heat is distributed evenly and efficiently for perfect results. The increased internal illumination and smooth enamel cavity make cleaning easy whilst the wide glass door give you full view of your meal.
